## H.B. 715 132nd General Assembly (As Introduced)

Reps. Schuring, West

## **BILL SUMMARY**

- Authorizes a municipal corporation, in each fiscal year, to use up to 5% of the gross amount of money deposited in a municipal corporation's water fund or sewer fund for the preceding fiscal year to extend water or sewer service when the extension is for economic development purposes.
- Prohibits a municipal corporation from exceeding the 5% limitation.

## CONTENT AND OPERATION

## Water and sewer funds

The bill authorizes a municipal corporation to use up to 5% of the gross amount of money deposited in the municipal corporation's water fund or sewer fund for the preceding fiscal year in order to extend water or sewer service when the extension is for economic development purposes. The bill prohibits municipal corporations from exceeding this 5% limitation.1

Current law requires a municipal corporation to establish a separate and distinct sewer fund and water-works fund into which money collected from sewer and water rates must be respectively deposited.<sup>2</sup> The Ohio Supreme Court has upheld the General Assembly's constitutional authority to limit a municipal corporation's use of money

<sup>2</sup> R.C. 729.52 and 743.06, not in the bill.
