Sub. S.B. 231

132nd General Assembly
(H. Criminal Justice)

Amendments adopted by the House committee made the following changes to the bill relating to the violent offender database:

Exempts from public disclosure any social security number, driver's license number, or state identification number that a violent offender or qualifying out-of-state violent offender provides to the county sheriff for inclusion in the violent offender database.

Specifies that a violent offender or qualifying out-of-state violent offender being sentenced for failure to enroll, re-enroll, or notify the sheriff of a change of address is eligible for the Targeting Community Alternatives to Prison (T-CAP) program, meaning that any term of confinement imposed for the offense would be served in a local correctional facility.
