Bob Bennett

Sub. H. B. 119

132nd General Assembly
(S. Health, Human Services & Medicaid)

Board of Nursing's substance use disorder monitoring program

Adds a provision to the House-passed version that replaces the term "chemical dependency" with the term "substance use disorder" in statutes governing the Board of Nursing's monitoring program for individuals who abuse alcohol or drugs.

Effective date

Changes the bill's effective date to July 1, 2019 (from July 1, 2018) and excludes from the delayed effective date the bill's provision regarding the Board of Nursing's substance use disorder monitoring program.
