Fiscal Note & Local Impact Statement

Bill: H.B. 639 of the 132nd G.A.

Status: As Reported by House Transportation and Public Safety

Sponsor: Rep. Dean

Local Impact Statement Procedure Required: No

Subject: Designates the Officer Ciera N. Greene Memorial Highway

The Ohio Department of Transportation (ODOT) will incur about \$350 to \$400 in costs for producing signs for this memorial bridge and the city of Lebanon will incur minimal costs for installing them. Specifically, the bill designates a stretch on State Route 123 in the city of Lebanon within Warren County as the Officer Ciera N. Greene Memorial Highway.

If a memorial marker is to be located inside of a municipality, ODOT produces the signs and may request reimbursement from the municipality for the cost. ODOT, however, does not currently seek this reimbursement. The signs are installed by municipal workers, though, resulting in minimal costs for the municipality where the memorial marker is to be located. Two markers are usually installed, one in each direction at each location. Once a set of signs is installed, there are typically no maintenance costs unless the signs are damaged. Signs usually need to be replaced every 12 to 15 years.
