**Version:** As Reported by House Transportation and Public Safety

**Primary Sponsors:** Reps. Zeltwanger and Miranda

**Local Impact Statement Procedure Required:** No

Tom Middleton, Senior Budget Analyst

The Ohio Department of Transportation (ODOT) will incur about \$350 to \$400 in costs for producing and installing memorial signs for this memorial highway. Specifically, the bill designates the portion of Interstate Route 71 between mile marker 22 and mile marker 23 within Warren County as Veterans Suicide Memorial Mile.

If a memorial marker is to be located on a road outside of municipal boundaries, ODOT produces and installs the signs. Two markers are usually installed, one in each direction at each location. Once a set of signs is installed, there are typically no maintenance costs unless the signs are damaged. Signs usually need to be replaced every 12 to 15 years.
