Substitute Bill Comparative Synopsis

Sub. H.B. 197

133rd General Assembly

House Ways & Means

Sam Benham, Attorney

The latest substitute version of the bill, I_133_0778-3, does not substantively differ from the immediately preceding “As Introduced” version. I_133_0778-3 does incorporate several changes that several prior acts made to the sections amended or repealed in the introduced version. Those prior acts – H.B. 62, H.B. 166, and S.B. 57 of the 133rd General Assembly – corrected several of the issues that had been addressed in the introduced version. I_133_0778-3 updates and removes several Revised Code sections appearing in the introduced version to reflect these intervening corrections.
