The Ohio Department of Transportation (ODOT) will incur about \$350 to \$400 in costs for producing memorial signs for this memorial highway and the Village of Powhatan Point will incur minimal costs for installing them. Specifically, the bill designates the portion of State Route 7 between the northern border of Powhatan Point and Pipe Creek Road in the Village of Powhatan Point within Belmont County as the SSG Garren Ray Goudy Memorial Highway.

If a memorial marker is to be located inside of a municipality, ODOT produces the signs and may request reimbursement from the municipality for the cost. ODOT, however, does not currently seek this reimbursement. The signs are installed by municipal workers, though, resulting in minimal costs for the municipality where the memorial marker is to be located. Two markers are usually installed, one in each direction at each location. Once a set of signs is installed, there are typically no maintenance costs unless the signs are damaged. Signs usually need to be replaced every 12 to 15 years.
