DETAILED ANALYSIS

Designation	President Donald J. Trump Day ¹
Date	June 14
Other Information	<p>The bill states:</p> <ul style="list-style-type: none">▪ Former President Donald J. Trump was our 45th President of the United States and accomplished many great feats and addressed issues that have led our state and nation to unparalleled prosperity.▪ A record 3,154,834 Ohio voters cast their ballot to re-elect Donald J. Trump as President – an historic number of votes received for President in Ohio.▪ Members of this 134th Legislature see it fit to honor President Donald J. Trump for his substantial contributions to this state and country including: historic tax cuts, criminal justice reform, record-low unemployment, an all-time high stock market, no new wars, peace deals in the Middle East, relocated the U.S. embassy in Israel to Jerusalem, USMCA trade deal, fixed veterans' healthcare system, appointed three Supreme Court Justices, and protected the freedoms and rights preordained within our U.S. Constitution.▪ For these reasons, we deem it pertinent and appropriate to represent Ohioans by designating June 14 to recognize the 45th President.
