S.B. 239 of the 134th General Assembly

Megan Cummiskey, Assistant Director, ORD

ICF/IID Medicaid payment rates

Eliminates an exception, enacted in 2021 in H.B. 110, the main operating budget for the 134th General Assembly, specifying that if the statewide average Medicaid rate for ICFs/IID exceeds \$365.05, the payment rates for FY 2023 are reduced by the percentage the statewide average exceeds that amount.

Requires the Department of Developmental Disabilities, for FY 2023, to pay each ICF/IID a rate as determined under existing codified law, using funds from the enhanced federal medical assistance percentage enacted in the “Families First Coronavirus Response Act.”

Earmarks up to \$10.0 million state share, and the corresponding federal share, from appropriation item 653654, Medicaid Services, to fund this rate.
