H.B. 253
135th General Assembly

Fiscal Note & Local Impact Statement

[Click here for H.B. 253's Bill Analysis](#)

Version: As Reported by Senate Transportation

Primary Sponsors: Reps. Upchurch and Holmes

Local Impact Statement Procedure Required: No

Jared Cape, Budget Analyst

Memorial Highway Designation			
Designation	Roadway	County	Entity Responsible for Installation
Brigadier General Charles Young Memorial Historical Corridor	U.S. Route 42	Greene	City of Xenia
	U.S. Route 68	Greene & Brown	City of Xenia
	U.S. Route 62	Brown	Village of Aberdeen

The table above summarizes details about the memorial highway designated by the bill, including the location and the entities responsible for installing the signs. The cost of producing and installing each set of two signs is approximately \$1,400. Signs usually need to be replaced every 12 to 15 years.

The Ohio Department of Transportation (ODOT) produces the signs and is often responsible for the installation. However, if the memorial highway is located within municipal boundaries, as is the case with this bill, each of the municipalities may install the signs and may need to reimburse ODOT for the production costs.
