S.B. 54 of the 135th General Assembly

Project name and funding source corrections

Corrects the names of two projects funded by the bill:

- “Putnam County Trails Project” to “Paulding County Trails Project”;
- “Paulding County Historical Society Museum” to “Putnam County Historical Society Museum.”

Corrects the funding sources for the projects by removing them as earmarks in Fund 5AY1 ALI 042509, One Time Strategic Community Investments Fund, in the Office of Budget and Management, and adding them as earmarks in Fund 7035 ALI C725E2, Local Parks, Recreation, and Conservation Projects, in the Department of Natural Resources.

Reinserts the earmark for Fort Jennings Park Pedestrian Bridge Park Improvements in ALI 042509 and removes the earmark for that project from ALI C725E2.
