### **Highlights**

- If the General Assembly adopts this joint resolution, the Secretary of State will incur ballot advertising costs related to placing the proposed changes to the Ohio Constitution on the November 3, 2026 statewide ballot. These costs will be paid from the Statewide Ballot Advertising Fund (Fund 5FH0).

### **Detailed Analysis**

The joint resolution proposes a constitutional amendment to appear on the November 3, 2026 general election ballot. It amends Sections 1b and 1g of Article II of the Ohio Constitution to modify the process for statutes proposed by initiative petition.

Should the General Assembly adopt the resolution and the issue is placed on the statewide ballot, the state would pay the ballot advertising costs. The costs for ballot advertising, including explanations and arguments for and against a statewide ballot issue, are paid for under the Secretary of State's (SOS) budget, specifically Statewide Ballot Advertising Fund (Fund 5FH0) line item 050621, Statewide Ballot Advertising. Fund 5FH0 receives cash transfers from the Controlling Board Emergency Purposes/Contingencies Fund (Fund 5KM0).

The actual advertising cost for placing the proposed constitutional amendment on the statewide ballot depends on the length of the ballot measure, explanations, and arguments for and against, all of which must be included in printed advertising. In FY 2025, the SOS paid approximately \$405,000 in statewide ballot advertising costs for State Issue 1, which appeared on the November 5, 2024 ballot. In FY 2024, the SOS paid approximately nearly \$380,000 in statewide ballot advertising costs related to both State Issue 1 and State Issue 2, which appeared on the November 7, 2023 ballot.
