Highway Designation			
Designation	Roadway	County	Entity Responsible for Installation
Lt. James A. Kirkendall Memorial Highway	U.S. Route 33	Auglaize	ODOT

The table above summarizes details about the highway designated by the bill, including the location and the entity responsible for installing the signs. The cost of producing and installing signs is approximately \$1,400. Signs usually need to be replaced every 12 to 15 years.

The Ohio Department of Transportation (ODOT) will produce and install the signs for the highway designated by this bill.
