**Local Impact Statement Procedure Required:** No

**Contents:** Authorizes probate judges to issue search warrants

### State Fiscal Highlights

- No direct fiscal effect on the state.

### Local Fiscal Highlights

- No direct fiscal effect on political subdivisions.

---

### Detailed Fiscal Analysis

The bill authorizes a probate judge to issue search warrants in criminal matters. It is in response to a recent ruling in which the Ohio Supreme Court held that a probate judge does not have such authority. As a result of the bill, a search warrant may, in certain circumstances, be issued, directed to, and executed by, law enforcement in a timelier manner than might otherwise have been the case under current law and practice.
