

Ohio Legislative Service Commission

Sub. Bill Comparative Synopsis

Matthew Magner

H.B. 158

131st General Assembly
(H. Health & Aging)

This table summarizes how the latest substitute version of the bill differs from the immediately preceding version. It addresses only the topics on which the two versions differ substantively. It does not list topics on which the two bills are substantively the same.

Topic	Previous Version (As Introduced)	Sub. Version (LSC 131 0712-1)
<p>Relationship between intellectual disability and developmental disability <i>(R.C. 5123.01 and 5126.01; conforming and technical changes in various R.C. sections)</i></p>	<p>No provision.</p> <p>No provision.</p>	<p>Specifies that, under Ohio law, an intellectual disability is a form of developmental disability.</p> <p>Replaces current law provisions that refer to both mental retardation and other developmental disabilities with provisions that refer to only developmental disabilities.</p>
<p>Court-ordered institutionalization of persons with a moderate level of intellectual disability <i>(R.C. 5123.01(P))</i></p>	<p>Provides that the determination of whether a person has a moderate level of intellectual disability and could be subject to institutionalization by court order is to be based on standard measurements recorded in the publication titled <i>Intellectual Disability: Definition, Classification, and Systems of Supports Manual</i> (in place of current law that refers to the <i>Manual of Terminology and Classification in Mental Retardation</i>).</p>	<p>Instead, provides that the determination is to be based on a finding that a person has (1) at least moderate deficits in overall functioning, as measured by a full-scale intelligence quotient test, and (2) at least moderate deficits in adaptive behavior, as determined in accordance with the criteria established in the fifth edition of the American Psychiatric Association's <i>Diagnostic and Statistical Manual of Mental Disorders</i>.</p>
