H.B. 439

131st General Assembly
(As Introduced)

Rep. Anielski

BILL SUMMARY

- Expands the offenses of voyeurism, pandering obscenity involving a minor, pandering sexually oriented matter involving a minor, and illegal use of a minor in nudity-oriented material or performance to prohibit some or all of the proscribed acts when they involve an impaired person.

CONTENT AND OPERATION

The bill expands certain offenses that currently apply only when a minor is involved by also prohibiting the specified acts when an "impaired person" is involved. An "impaired person" is a person whose ability to resist or consent is substantially impaired because of a mental or physical condition or because of advanced age, and the offender knows or has reasonable cause to believe that the other person's ability to resist or consent is substantially impaired because of a mental or physical condition or because of advanced age.¹

Voyeurism

Voyeurism can take several forms. One form consists of trespassing or otherwise surreptitiously invading the privacy of another to videotape, film, photograph, otherwise record, or spy or eavesdrop upon the other person in a state of nudity if the other person is a minor, if the trespass or other invasion is done for the purpose of sexually arousing or gratifying the offender. The bill extends the offense to such a trespass or other invasion if the other person is an impaired person.²
