CONTENT AND OPERATION

Pet store and dog retailer regulations

Source of a dog sold from a pet store

The bill prohibits an owner, manager, or employee of a pet store from negligently displaying, offering for sale, delivering, bartering, auctioning, brokering, giving away, transferring, or selling any live dog from a pet store to a person unless the dog was obtained from one of the following sources:

- (1) An animal rescue for dogs;
- (2) An animal shelter for dogs;
- (3) A humane society;

(4) A dog retailer; or

(5) A qualified breeder.¹

A pet store owner, manager, or employee who violates this provision is guilty of a fourth degree misdemeanor.²

Under the bill, a pet store is an individual retail store to which both of the following apply: (1) the store sells dogs to the public, and (2) with regard to the sale of a dog from the store, the sales person, the buyer of a dog, and the dog for sale are physically present during the sales transaction so that the buyer may personally observe the dog and help ensure its health prior to taking custody. A pet store does not include an animal rescue for dogs, an animal shelter for dogs, a humane society, a medical kennel for dogs, or a research kennel for dogs. Under current law, a pet store is a retail store that sells dogs to the public.³

A "qualified breeder" is a breeder that keeps, houses, and maintains female adult dogs that is not a high volume breeder.⁴ A "qualified breeder" also is a high volume breeder located in or out of Ohio that meets all of the following requirements:

(1) The breeder is licensed by the United States Department of Agriculture (USDA) under federal law and, if applicable, a state agency;

(2) The breeder has not been issued a report of a direct noncompliance violation by the USDA under the federal Animal Welfare Act for a period of three years prior to offering for sale, delivering, bartering, auctioning, brokering, giving away, transferring, or selling a dog;

(3) The breeder has not had three or more noncompliance violations documented in any report issued by the USDA under the federal Animal Welfare Act for a period of two years prior to offering for sale, delivering, bartering, auctioning, brokering, giving away, transferring, or selling a dog; and

¹ R.C. 956.20(A).

² R.C. 956.99.

³ R.C. 956.01.

⁴ R.C. 956.19(A).

(4) If the breeder is located out of Ohio, the breeder has been issued a dog retailer license under Ohio law.⁵

The bill also alters the current definition of "high volume breeder" by declaring that a high volume breeder is an establishment that keeps, houses, and maintains more than four female adult dogs that are not sterilized. Current law states that a high volume breeder is an establishment that keeps, houses, and maintains adult breeding dogs that produce at least nine litters of puppies in any given calendar year and, in return for a fee or other consideration, sells 60 or more adult dogs or puppies per calendar year.⁶

Sale of a dog that does not meet specified criteria

The bill prohibits an owner, manager, or employee of a pet store and a dog retailer from negligently selling, delivering, bartering, auctioning, brokering, giving away, or transferring any of the following:

- (1) A dog that is less than eight weeks old;
- (2) A dog without a certificate of veterinarian inspection signed by an accredited veterinarian;
- (3) A dog that does not have a permanent implanted identification microchip; or
- (4) A dog to a person who is younger than 18 years of age as verified by valid photo identification.⁷

The bill defines "accredited veterinarian" to mean a veterinarian accredited by the USDA. The bill also expands the definition of "veterinarian" to include a veterinarian licensed out of Ohio by an applicable state entity in addition to a veterinarian licensed in Ohio as in current law.⁸

A pet store owner, manager, or employee or a dog retailer who violates any of the above prohibitions is guilty of a fourth degree misdemeanor.⁹

⁶ R.C. 956.01.

⁸ R.C. 959.01.

⁹ R.C. 956.99.

An owner, manager, or employee of a pet store also is prohibited from negligently selling, delivering, bartering, auctioning, brokering, giving away, or transferring a dog acquired from a qualified breeder or a dog retailer unless the owner, manager, or employee provides to the person acquiring the dog, at the time of the acquisition, a written certification that includes the following information:

--The name of the breeder that bred the dog;

--The address, if available, of the breeder that bred the dog;

--The USDA license number of the breeder that bred the dog, if applicable, and a copy of the most current USDA inspection report for the breeder;

--The dog's birth date, if known;

--The date that the pet store took possession of the dog;

--The breed, gender, color, and any identifying marks of the dog;

--A document signed by an accredited veterinarian that describes any known disease, illness, or congenital or hereditary condition that adversely affects the health of the dog; and

--A document signed by the owner, manager, or employee of the pet store certifying that all information required to be provided to the person acquiring the dog is accurate. A pet store must keep a copy of the certification for at least two years from the date of the acquisition. The owner, manager, or an employee of the pet store must make the copy of the certification available for inspection or duplication by the Department of Agriculture.¹⁰

A pet store owner, manager, or employee who violates the above prohibition is guilty of a fourth degree misdemeanor.¹¹

The bill establishes an identical prohibition against a dog retailer selling, delivering, bartering, auctioning, brokering, giving away, or transferring a dog acquired from a qualified breeder without providing the written certification specified above. A violation of the prohibition is a fourth degree misdemeanor.¹²

Prohibition against providing false information

The bill prohibits an owner, manager, or employee of a pet store or a dog retailer from recklessly altering or providing false information on a written certification required to be given to a person acquiring a dog from the pet store or dog retailer, as applicable, when the dog was originally acquired from a qualified breeder.¹³

A pet store owner, manager, or employee or a dog retailer who violates this provision is guilty of a fourth degree misdemeanor.¹⁴

Application of bill

The bill specifies that the prohibitions regarding dog sales by pet stores and dog retailers do not apply to any dog that is being sold, delivered, bartered, auctioned, given away, brokered, or transferred from the premises where the dog was bred and reared.¹⁵

Pet store license

The bill prohibits an owner, manager, or employee of a pet store from negligently displaying, offering for sale, delivering, bartering, auctioning, brokering, giving away, transferring, or selling any live dog from a pet store in Ohio unless a pet store license has been issued for the pet store by the Director.¹⁶ The Director may issue a pet store license to a pet store owner or operator when the owner or operator does all of the following:

(1) Applies for a license in accordance with the bill's provisions and rules adopted under it;

(2) Affirms in writing that the owner or operator will maintain compliance with the bill's requirements; and

¹³ R.C. 956.051(B) and 956.20(C).

¹⁴ R.C. 956.99.

¹⁵ R.C. 956.20(D) and R.C. 956.051(C).

¹⁶ R.C. 956.21(F).

(3) Submits a \$500 fee along with the application for a pet store license.¹⁷ The fee must be deposited into the Pet Store License Fund, which is created by the bill (see below).¹⁸

Under the bill, the Director may deny, suspend, or revoke a pet store license for a violation of the bill's prohibitions regarding pet store dog sales. However, the denial, suspension, or revocation of a license is not effective until the licensee is given a written notice of the violation, a reasonable amount of time to correct the violation, if possible, and an opportunity for a hearing. The Director also may refuse to issue a pet store license if the applicant has violated the bill's prohibitions regarding pet store dog sales during the 36-month period prior to submitting an application for the license.¹⁹

A pet store license is valid for one year from the date of issuance and must be renewed annually.²⁰

A person who negligently operates a pet store in Ohio without a pet store license issued by the Director is guilty of a fourth degree misdemeanor.²¹

Rules

The bill requires the Director of Agriculture to adopt rules establishing all of the following:

(1) Requirements and procedures governing pet stores, including requirements and procedures governing the initial licensing of pet stores and the renewal of pet store licenses;

(2) The application form for a pet store license and the information that is required to be submitted in the application; and

(3) Any other requirements and procedures that are determined by the Director to be necessary for the administration and enforcement of the bill's provisions governing the sale of a dog from a pet store.²²

²⁰ R.C. 956.21(D).

²² R.C. 956.21(A).

The bill also authorizes the Director to adopt rules establishing vaccination requirements for dogs to be sold at a pet store.²³

Civil penalties

The bill authorizes the Director to assess a civil penalty against a person who violates any of the bill's prohibitions governing the sale of a dog from a pet store. A person is liable for a civil penalty as follows:²⁴

Number of violations	Civil penalty
First violation	\$500 or less
Second violation	\$2,500 or less
Third or subsequent violation	\$10,000 or less

Any person assessed a civil penalty must pay the amount prescribed to the Department of Agriculture. The Department must remit all money collected from civil penalties to the Treasurer of State for deposit in the Pet Store License Fund (see below).²⁵

Pet Store License Fund

As indicated above, the bill creates the Pet Store License Fund that consists of all of the following:

- (1) All money collected by the Director from pet store license fees;
- (2) All money collected by the Director from civil penalties assessed under the bill's provisions; and
- (3) Money appropriated to the Fund.

The Director must use the money in the Fund to administer the bill's provisions governing the sale of dogs from pet stores.²⁶

²⁶ R.C. 956.181.

Preemption

The bill specifies that the regulation of pet stores is a matter of general statewide interest that requires statewide regulation and that the bill constitutes a comprehensive plan with respect to all aspects of the regulation of pet stores. Accordingly, the bill specifies that it is the intent of the General Assembly to preempt any local ordinance, resolution, or other law adopted to regulate the sale, delivery, barter, auction, broker, or transfer of a dog to a person from a pet store (see **COMMENT**, below).²⁷

Release of money from the High Volume Breeder Kennel Control License Fund

The bill eliminates the requirement that the Controlling Board approve the release of money from the existing High Volume Breeder Kennel Control License Fund. The bill also eliminates the cap on the amount of money that the Director of Agriculture may request the Controlling Board to release from the Fund in any biennium. Currently, the cap is \$2,500,000. Under current law, the Director must use money in the Fund to administer the laws governing dog breeders.²⁸ The bill does not eliminate any other provision of current law that requires the Controlling Board to approve expenditures made by a state agency.²⁹

COMMENT

Under Article XVIII, Section 3 of the Ohio Constitution, municipal corporations "have the authority to exercise all powers of local self-government and adopt and enforce within their limits such local police, sanitary, and other similar regulations, as are not in conflict with general laws." Accordingly, a provision enacted by the General Assembly that purports to preempt a municipal corporation's constitutional authority may be invalid. See *Canton v. State*, 95 Ohio St.3d 149, 2002-Ohio-2005.
