Bill: H.B. 276 of the 131st G.A.

Date: December 7, 2016

Status: As Passed by the Senate

Sponsor: Rep. Schuring

Local Impact Statement Procedure Required: No

Contents: Authorizes chiropractors to engage in certain activities involving nutrition-related items and therapies, nonprescription drugs, and medical goods and devices

State Fiscal Highlights

- Minimal increase in administrative costs for the Ohio State Chiropractic Board to adopt rules related to the provisions of the bill; the Board expects these costs to be absorbed by its existing budget.

Local Fiscal Highlights

- No direct fiscal effect on political subdivisions.

Detailed Fiscal Analysis

The bill authorizes chiropractors to administer, sell, distribute, recommend, or provide advice regarding various nutritional supplements, homeopathic remedies, nonprescription drugs, and medical goods and devices other than home medical equipment. The Ohio State Chiropractic Board anticipates a minimal increase in administrative costs to adopt rules related to this change and a possible increase in complaints or disciplinary action related to expanded services, but any costs will be absorbed within the Board's existing budget.
