Sub. Bill Comparative Synopsis

Margaret E. Marcy

H.B. 71

132nd General Assembly
(H. Transportation and Public Safety)

The changes made in Sub. H.B. 71 (L_132_0033-2) are not substantive. The As Introduced version of H.B. 71 amends R.C. 4503.21. That section was recently amended in Am. Sub. H.B. 26 of the 132nd General Assembly, the transportation budget act, to make the failure to display a front license plate for a legally parked motor vehicle a secondary offense. Sub. H.B. 71 updates R.C. 4503.21 to reflect those changes to the law.
