

OHIO LEGISLATIVE SERVICE COMMISSION

Maggie Wolniewicz

Fiscal Note & Local Impact Statement

Bill: H.B. 195 of the 132nd G.A.

Status: As Reported by Senate Transportation, Commerce & Workforce

Sponsor: Reps. Ingram and Seitz

Local Impact Statement Procedure Required: No

Subject: Nonemergency transportation for wheelchair or other mobility aid users

As the bill is largely clarifying the law to reflect current practice, it is not expected to have a direct fiscal effect on the state or any of its political subdivisions. The bill: (1) clarifies when licensure by the State Board of Emergency Medical, Fire, and Transportation Services is required to provide emergency and nonemergency medical transportation, and (2) specifies that licensure is required to provide nonemergency medical transportation to an individual who requires the use of a wheelchair or other mobility aid only when the individual is being transported between certain specified locations.
