### **CONTENT AND OPERATION**

#### **Municipal garbage fee collection**

The bill extends to all municipal corporations the authority to certify amounts due for garbage collection services to the county auditor, who must enter the fees on the property tax list. Under current law, only the legislative authority of a municipal corporation that is located in a charter county has this authority. The unpaid amounts certified to the county auditor by municipal ordinance become a lien on the property and are then to be collected in the same manner as real property taxes.<sup>1</sup> This authority applies to both chartered and nonchartered municipalities because neither can exercise home rule authority to direct the actions of the county auditor; statutory authority from the General Assembly is required.<sup>2</sup>
