### Capital reappropriations

The bill makes capital reappropriations for the biennium ending June 30, 2022, (that is, for FYs 2021 and 2022).

### Emergency measure

The bill includes an emergency clause to ensure uninterrupted funding of ongoing capital projects. If passed as an emergency measure, the bill will take immediate effect and not be subject to the referendum.

### Expiration clause – prior capital budget act

The bill amends the expiration clause contained in H.B. 529 of the 132<sup>nd</sup> General Assembly, the capital appropriations and reappropriations act for FYs 2019 and 2020. As written in H.B. 529, all of the act's provisions with section numbers in the 200s were to expire June 30, 2020.

The bill modifies H.B. 529 to make clear that H.B. 529 provisions related to the issuance and repayment of debt do not expire, as well as other provisions standard to capital appropriations acts. The expiration clause continues to apply to all other sections of H.B. 529 numbered in the 200s, the vast majority of which appropriated or reappropriated capital funds for the biennium ending June 30, 2020.<sup>1</sup>
