The Ohio Department of Transportation (ODOT) will incur about \$500 in costs for producing and installing memorial signs for this memorial highway. Specifically, the bill designates the portion of State Route 60 located between County Road 121 and County Road 87 located in Washington County as the U.S. Army Specialist Christian D. Ward Memorial Highway.

If a memorial marker is to be located on a road outside of municipal boundaries, ODOT produces and installs the signs. Two markers are usually installed, one in each direction at each location. Once a set of signs is installed, there are typically no maintenance costs unless the signs are damaged. Signs usually need to be replaced every 12 to 15 years.
