## DETAILED ANALYSIS

### Repeal of S.B. 215

The bill repeals the changes made by S.B. 215 of the 134<sup>th</sup> General Assembly.

### Reinstates requirement that a concealed handgun license must be obtained

The bill repeals current law that provides that a person who is a “qualifying adult” is not required to obtain a concealed handgun license in order to carry a concealed handgun that is not a “restricted firearm.” Regardless of whether the person has been issued a concealed handgun license, a person who is a qualifying adult may carry a concealed handgun that is not a restricted firearm anywhere in this state in which a person who has been issued a concealed handgun license may carry a concealed handgun. The right of a person who is a qualifying adult to carry a concealed handgun that is not a restricted firearm is that same right as granted to a person who has been issued a concealed handgun license, and a qualifying adult who is granted the right is subject to the same restrictions as apply to a person who has been issued a concealed handgun license.<sup>1</sup>

The bill repeals current law that specifies that if a person is a qualifying adult, and the person thereafter comes within any category of persons prohibited from possessing or receiving a firearm under specified federal or state law, both of the following apply automatically and immediately upon the person coming within that category: (1) the person no longer has a right to carry a concealed handgun as described above, and (2) the references to a concealed handgun license and a concealed handgun licensee described below no longer apply to the person.<sup>2</sup>

### Eliminates references to concealed handgun license and concealed handgun licensee that apply to a qualifying adult

The bill repeals current law that specifies that for purposes of any section of the Revised Code that refers to a concealed handgun license or concealed handgun licensee, except when the context clearly indicates otherwise, all of the following apply:<sup>3</sup>

---

<sup>1</sup> R.C. 2923.111(B).

<sup>2</sup> R.C. 2923.111(C)(2) and 2923.13, not in the bill and 18 United States Code 922(g)(1) to (9).

<sup>3</sup> R.C. 2923.111(C)(1).

1. A person who is a qualifying adult and is carrying or has, concealed on the person's person or ready at hand, a handgun that is not a restricted firearm must be deemed to have been issued a valid concealed handgun license.
2. If the provision refers to a person having been issued a concealed handgun license or having been issued a concealed handgun license that is valid at a particular point in time, the provision must be construed as automatically including a person who is a qualifying adult and who is carrying or has, concealed on the person's person or ready at hand, a handgun that is not a restricted firearm, as if the person had been issued a concealed handgun license or had been issued a concealed handgun license that is valid at the particular point in time.
3. If the provision in specified circumstances requires a concealed handgun license to engage in specified conduct, or prohibits a concealed handgun licensee from engaging in specified conduct, the provision must be construed as applying in the same circumstances to a person who is a qualifying adult in the same manner as if the person was a concealed handgun licensee.
4. If the application of the provision to a person depends on whether the person is or is not a concealed handgun licensee, the provision must be applied to a person who is a qualifying adult in the same manner as if the person was a concealed handgun licensee.
5. If the provision pertains to the imposition of a penalty or sanction for specified conduct and the penalty or sanction applicable to a person who engages in the conduct depends on whether the person is or is not a concealed handgun licensee, the provision must be applied to a person who is a qualifying adult in the same manner as if the person was a concealed handgun licensee.

### **Eliminates references to expiration, suspension, and revocation of concealed handgun license that apply to a qualifying adult**

The bill repeals current law that provides that the concealed handgun license expiration, suspension, and revocation provisions do not apply with respect to a person who is a qualifying adult, unless the person has been issued a concealed handgun license.<sup>4</sup>

## **Reinstates requirement that a concealed handgun licensee must carry a concealed handgun license**

The bill reinstates the requirement that a concealed handgun licensee must carry a concealed handgun license in order to carry a concealed handgun. A concealed handgun licensee is required to carry a valid concealed handgun license when the licensee is in actual possession of a concealed handgun.<sup>8</sup>

## **Modifies requirement that a concealed handgun licensee has a duty to notify**

### **Duty to notify**

The bill modifies the requirement that a concealed handgun licensee, qualified military member, or qualifying adult has a duty to notify. Under the bill, a concealed handgun licensee or qualified military member has a duty to notify as follows:

1. If a concealed handgun licensee is stopped for a law enforcement purpose and is carrying a concealed handgun, the person must not fail to promptly inform any law enforcement officer who approaches the person after the person has been stopped that the person has been issued a concealed handgun license and that the person is then carrying a concealed handgun.<sup>9</sup>
2. If a concealed handgun licensee or active duty military member is the driver or occupant of a motor vehicle that is stopped for a law enforcement purpose and is transporting or has a loaded handgun in the motor vehicle, the person must not fail to promptly inform any law enforcement officer who approaches the person after the person has been stopped that the person has been issued a concealed handgun license or is authorized to carry a concealed handgun as a qualified military member and that the person then possesses or has a loaded handgun in the motor vehicle.<sup>10</sup>
3. If a concealed handgun licensee or active duty military member is the driver or occupant of a commercial motor vehicle that is stopped for a specified purpose and is transporting or has a loaded handgun in the commercial motor vehicle, the person must not fail to promptly inform any employee of the unit who approaches the person after the person has been stopped that the person has been issued a concealed handgun license or is authorized to carry a concealed handgun as a qualified military member and that the person then possesses or has a loaded handgun in the commercial motor vehicle.<sup>11</sup>

<sup>8</sup> R.C. 1547.69(H)(2), 2923.12(C)(2) and (F)(2), 2923.121(B)(1)(d) and (e), 2923.122(D)(3) and (4), 2923.123(C)(6), 2923.126(A), (D), and (F)(1), and 2923.16(F)(5) and (L).

<sup>9</sup> R.C. 2923.12(B)(1) and 2923.126(A).

<sup>10</sup> R.C. 2923.126(A) and 2923.16(E)(1).

<sup>11</sup> R.C. 2923.126(A) and 2923.16(E)(2).

Under current law, a concealed handgun licensee, qualified military member, or qualifying adult has a duty to notify as follows:

1. If the person is stopped for a law enforcement purpose and is carrying a concealed handgun, before or at the time a law enforcement officer asks if the person is carrying a concealed handgun, the person must not fail to disclose that the person is then carrying a concealed handgun, provided that it is not a violation if the person fails to disclose that fact to an officer during the stop and the person already has notified another officer of that fact during the same stop.<sup>12</sup>
2. If the person is the driver or occupant of a motor vehicle that is stopped for a law enforcement purpose and is transporting or has a loaded handgun in the motor vehicle, before or at the time a law enforcement officer asks if the person is carrying a concealed handgun, the person must not fail to disclose that the person then possesses or has a loaded handgun in the motor vehicle, provided that it is not a violation if the person fails to disclose that fact to an officer during the stop and the person already has notified another officer of that fact during the same stop.<sup>13</sup>
3. If the person is the driver or occupant of a commercial motor vehicle that is stopped for a specified purpose and is transporting or has a loaded handgun in the commercial motor vehicle, before or at the time a law enforcement officer asks if the person is carrying a concealed handgun, the person must not fail to disclose that the person then possesses or has a loaded handgun in the commercial motor vehicle, provided that it is not a violation if the person fails to disclose that fact to an officer during the stop and the person already has notified another officer of that fact during the same stop.<sup>14</sup>

The bill retains the duty to notify provisions above, as modified by the bill, and other law enforcement duties not amended by the bill, but eliminates substantially equivalent language found elsewhere in the Revised Code.<sup>15</sup>

## Penalties

The bill modifies the penalty for failure to comply with the duty to notify. Under the bill, failure to comply with the duty to notify is generally a first degree misdemeanor and results in suspension of the licensee's concealed handgun license, unless the law enforcement officer had actual knowledge that the person was a licensee, in which case the violation is a minor misdemeanor and the license is not suspended. Under current law, failure to comply with the duty to notify is a second degree misdemeanor.<sup>16</sup>
