### SUMMARY

- Requires the annual jury source list to include all names from the certified, current list of names provided to the commissioners of jurors by the Registrar of Motor Vehicles.

### DETAILED ANALYSIS

#### Jury source list

Current law requires the Registrar of Motor Vehicles, on a date ordered by the common pleas court of any particular county, to compile and file with the commissioners of jurors of each county a certified, current list containing the names, addresses, dates of birth, and citizenship of all residents of the particular county who have been issued a commercial driver's license, a driver's license, or an identification card that is valid and current on the date of the compilation of the list, who are or will be 18 years old or older as of the day of the general election of the year in which the list is filed, and who, regardless of whether they are actually registered to vote, would be electors if they were registered to vote.<sup>1</sup> In compiling the annual jury source list, unless otherwise ordered by the common pleas court, the commissioners may generally include all names from that certified, current list from the Registrar.<sup>2</sup> The bill instead requires the commissioners to include all names from that certified, current list on the annual jury source list.<sup>3</sup>
