### DETAILED ANALYSIS

#### Publicly funded child care for foster and kinship caregivers

The bill guarantees publicly funded child care (PFCC) for foster caregivers and kinship caregivers regardless of income.<sup>1</sup> To be eligible, a foster caregiver or kinship caregiver must be employed or participating in an education or training program for an amount of time reasonably related to the time that the child is receiving PFCC. The benefit may only be provided for a child that is placed with a foster caregiver or kinship caregiver.<sup>2</sup>

Under current law, PFCC is guaranteed for individuals participating in or transitioning from the Ohio Works First Program. For others, PFCC eligibility is subject to the availability of funds. For those families, until June 30, 2025, the maximum amount of family income for initial

<sup>2</sup> R.C. 5104.302(A) and (B).

PFCC eligibility cannot exceed 145% of the federal poverty level (FPL), or 150% for special needs child care. For continued eligibility, the maximum amount cannot exceed 300% FPL.<sup>3</sup>

## Child care oversight

Under current law, the Department of Job and Family Services (ODJFS) is the agency responsible for regulating child care and administering PFCC. The Department of Education and Workforce is responsible for licensing preschool programs and school child programs. Due to changes enacted in H.B. 33 of the 135<sup>th</sup> General Assembly, all of these duties will transfer to the Department of Children and Youth (ODCY) on January 1, 2025; therefore, this analysis refers only to ODCY.

## Authorized providers

The bill specifies that only the following entities may provide PFCC for a foster caregiver or kinship caregiver:

- A child care center, including a parent cooperative child care center, that is licensed by ODCY;
- A type A family child care home, including a parent cooperative type A family child care home, that is licensed by ODCY;
- A type B family child care home that is licensed by ODCY;
- A preschool program that is licensed by ODCY;
- A school child program that is licensed by ODCY;
- A border state child care provider that is licensed by a state bordering Ohio, except that the provider may provide PFCC only to an individual who resides in an Ohio county that borders the state in which the provider is located.

The following table describes each of the in-state licensed child care programs under existing law:<sup>4</sup>
