Detailed Fiscal Analysis

The bill requires a Sunset Review Committee to be created and function during each odd-numbered General Assembly. Current law creates the Sunset Review Committee for the 131st General Assembly and provides for the repeal of the Sunset Review Law, unless it is renewed by the General Assembly, by December 31, 2016. Under the bill, an agency subject to review by the Committee will expire, unless renewed, at the end of December 31 in the year of the second regular session of that general assembly. The bill has no direct fiscal effect on state or local expenditures.
