## Modifications to existing nonstandard license plates

Currently, the Registrar pays each contribution derived from the "Juvenile Diabetes Research Fund" license plate to the Ohio chapter of the Juvenile Diabetes Research Foundation in whose geographic territory the person who paid the contribution resides. The bill requires the Registrar to pay all contributions to the Central Ohio Chapter of the Juvenile Diabetes Research Foundation. The Central Ohio Chapter then must distribute each contribution to the Ohio chapter in whose geographic territory the person who paid the contribution resides.

Additionally, the bill removes operators of commercial motor vehicles as potential applicants for the "Westerville Parks Foundation" license plate.
