### BILL SUMMARY

- Requires certain chartered nonpublic school employees to undergo annual training on youth suicide awareness and prevention programs.
- 

### CONTENT AND OPERATION

#### Youth suicide awareness and prevention training

The bill requires chartered nonpublic school employees, including nurses, teachers, counselors, school psychologists, administrators, and any other personnel that the governing authority determines appropriate, to undergo training on youth suicide and prevention programs annually.<sup>1</sup> The training must meet the same requirements as any in-service training for youth suicide and prevention offered to public school employees under current law.<sup>2</sup>
