Fiscal Note & Local Impact Statement

Bill: S.B. 252 of the 132nd G.A.

Status: As Introduced

Sponsor: Sen. Peterson

Local Impact Statement Procedure Required: No

Subject: Authorizes simultaneous holding of dual offices in specified circumstances

Detailed Fiscal Analysis

The bill does not appear to have any fiscal impact on political subdivisions. The bill gives authority for an elected official of a county, township, or municipal corporation that has levied a hotel lodging excise tax under current law, or anyone appointed by those officials, to simultaneously serve in this elected or appointed position *and* as a member or officer of the board of trustees of a convention and visitors' bureau. The bill further specifies that holding two positions simultaneously does not constitute the simultaneous holding of incompatible offices or employment. The bill does, however, permit a municipal corporation or chartered county to adopt a more restrictive policy that bars these persons from holding these positions simultaneously.
